

RABBI M. M. HERSHMAN was the speaker at the annual Loyalty Day program in Lincoln-Way High School. Seated behind him is Clarence Zugenbuehler, Mokena Post VFW WHO SERVED as Loyalty Day chairman.

Speaker Urges Attendance To Law

"Law and loyalty are synonymous—in our great nation there cannot be one without the other," Rabbi M. M. Hershman told the students at Lincoln-Way High School at the annual Loyalty Day program conducted May 1.

This program is sponsored yearly by the Veterans of Foreign Wars Posts of New Lenox and Mokena. Representatives of the VFW district organizations, as well as the local units, and county and village officials attended the program that was broadcast by Joliet Radio Station WJOL.

Eighth grade pupils from the public and parochial schools in the Lincoln-Way district occupied the floor space of the school gymnasium that was not taken up by the band at one end and speakers and other guests at the other. The bleachers were packed with Lincoln-Way students and at one point in the program it was stirring sight to watch them cheering and waving small American flags that had been given to them by the VFW women's auxiliaries of Mokena and New Lenox.

The Colors were posted and retired by the Color Guard of the Mokena VFW post. The Pledge of Allegiance followed the posting of the Colors and then the Lincoln-Way band played the National Anthem. The invocation was given by the Rev. LaVern Smith, pastor of St. Peter's Church, Frankfort.

George E. Sangmeister, former state's attorney, was master of ceremonies. Richard Anderson, VFW state Senior Vice Commander of the 5th Dist., made a few remarks and Commander Arthur Sitzberger, of the Mokena Post, presented an American flag to the school. It was accepted by Supt. A.

Hunter Chapman with appropriate words. The school chorus under the direction of Tom Olson sang several selections in the course of the program. Clarence Zugenbuehler, of the VFW Post at Mokena was Loyalty Day chairman. The late Harold Dailey, of the New Lenox Post started the Loyalty Day programs at Lincoln-Way six years ago and served as chairman thru 1968. He was killed in a highway mishap last year.

Rabbi Hershman, of the Joliet Jewish Congregation, is a scholar and an exceptionally talented speaker. His address last Thursday was particularly apropos to the day and the times.

He pointed out that May 1, "a day dedicated to the law and loyalty, commemorates no specific event nor does it honor any of the many courageous and outstanding heroes and statesmen of the past. This is a day for us, the living, to be here dedicated...It is for us and what we will do out of the inspiration of this day that makes it so important..."

"A civilized society can flourish only where its citizens will accept and honor, respect and revere a law that is morally sound and irrevocably consistent and our great nation was founded upon just such a precept," he continued. "We adhere to the law and in so doing give up a little of our own sovereignty and in giving up a little of our own sovereignty and freedom we make it possible for all of us to be free..."

We meet today, my dear young friends, in a time where some segments of our society feel that they are above the law. Look through history and you will find that those who thought they were a law unto themselves perished...

"On the campuses of America today...some of our young people take the law into their own hands and become a law unto themselves and in so doing have been dastardly disloyal to their universities, to their country, have created anarchy for their fellow students and a stain on the escutcheon of their youth..."

"I protest with every fiber of my being against those students who have taken over university buildings, destroyed property, ransacked files and have demanded a voice in the curriculum, the hiring and firing of teachers and an equal voice in the administration of the school. I saw one such protester on television the other evening, the national secretary of S.D.S., and a more vulgar, uncouth, disrespectful, arrogant, foul mouthed young man I have never heard or saw in my life."

"Our country will be destroyed utterly by such young people—by those who proclaim the loudest that ours is a country of revolution."

"Our country will be destroyed completely by those who proclaim the loudest that they, in fact, are the only true patriots."

"Our country will be sapped of its power if the good and decent law abiding citizens become intimidated and cower before these self styled protagonists of change."

"You, my dear young friends, many of whom will be going to the university in the next few years, can make this day meaningful. You can use the avenues open to you to demand of your peers that the colleges and universities of America are halls of study and chambers of learning and not the arena to challenge authority. When the majority of students, when the conscientious and dedicated students will raise their voices in protest against the lawlessness and the violence and disrespect for authority that is so rampant on the campuses and in every segment of our society then will ours have become a society of law once again...Law and loyalty are synonymous...in our great nation there cannot be one without the other...for ours can yet be 'one nation indivisible, under God, with liberty and justice for all.'"

Urge State To Create Lake On Hickory Cr.

Proposed establishment of a lake in the New Lenox-Mokena-Frankfort area was recommended to the Illinois state conservation department Saturday by representatives of the Will County Council of Sportsman's Club.

The recommendation was presented by Frank Goetschel, New Lenox, president of the county council, and Larry Charlton, Lockport, secretary, to William Rutherford, director of the department of conservation, at a meeting held in the state lodge at Starved Rock.

The meeting was in the form of an open hearing for the presentation and discussion of projects calculated to preserve some of the land for recreation and the preservation of fish and wildlife.

The Will County Regional Council of Sportsman's Clubs also went on record in opposition to the Cross Wabash Valley project which would put barge traffic on the Kankakee River. The Sportsman's Clubs are for the establishment of a lake on the Kankakee as proposed by James P. Hennessy, director of the Joliet Port Authority.

But the primary interest of the group was expressed in the proposed damming of Hickory Creek at a point about a mile and a half west of Wolf Rd., as is shown on a map that appears on Page 3. This would create a lake of approximately three miles long and about 1,000 feet at its widest point, which would have a capacity of 3.6 million gallons per day.

With the proposal was filed a study made by the Stanley Engineering Co. several years ago for the Lower Des Plaines Valley Water Resources committee. New Lenox, Mokena and Frankfort village boards all made contributions to the cost of this study. One of the recom-

mendations of the engineers was construction of a lake on Hickory Creek. Such impoundment of the water would provide an excellent recreation area. It could also serve as a means of flood control for Joliet—flash floods are not infrequent on Hickory Creek and a lake in this area would serve to hold back a lot of the water that now goes rushing to the Illinois waterway in Joliet—and it could become a source of water for domestic use if the underground supply in the area becomes depleted, it was said.

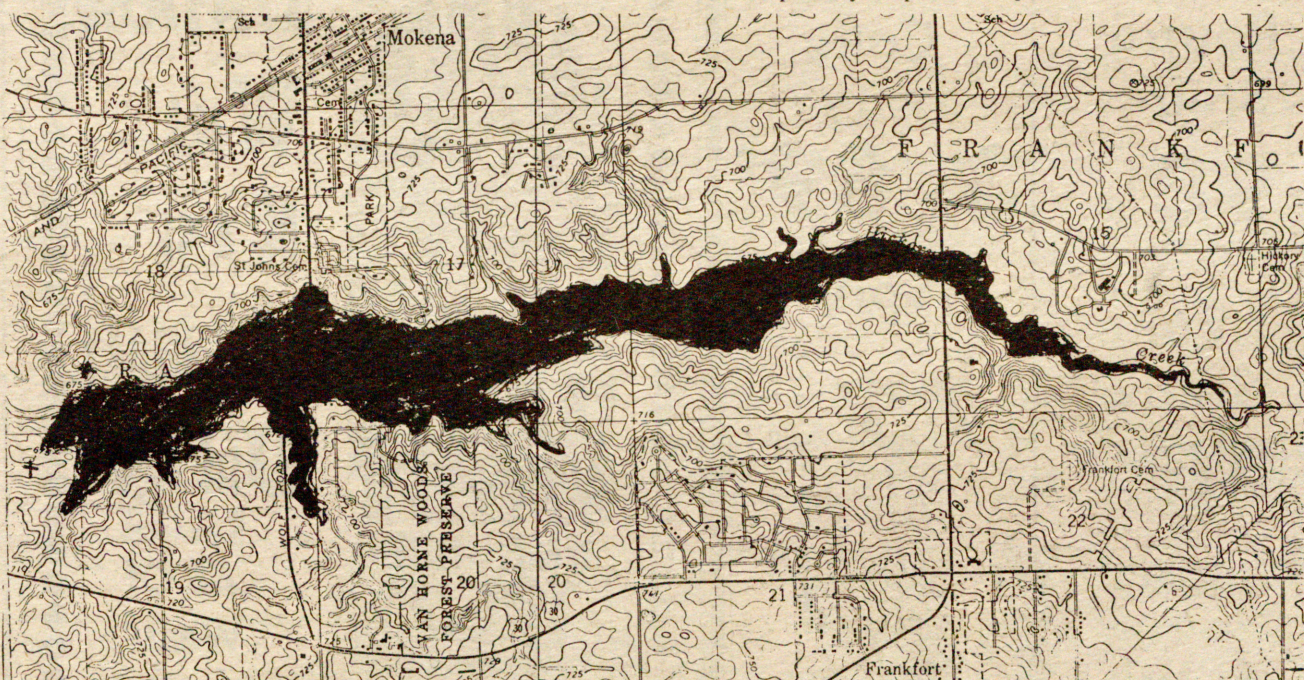

The Sportsman's Clubs believe such a lake on Hickory Creek would provide swimming and boating, as well as fishing. The clubs suggest that the state could stock the lake with native fish and that they would flourish in the new environment.

Will County Forest Pre-

serve has property that would give easy access to the proposed lake. The clubs point out that there would be only a few homes affected by the proposed lake and only a short section of Wolf Rd. would have to be rebuilt. The Stanley Engineering report estimates the cost of the lake project at about one and quarter million dollars.

There has been legislation introduced at this session which would provide funds for a study of the Hickory Creek basin. Rutherford was reminded. About \$30,000 would be needed for the purpose, it was said.

With the population growth projected for this area, Goetschel told Rutherford, it is necessary to plan for recreation areas now. It is expected the lake plan will draw support of most of the organizations in the areas.

PROPOSED LAKE HICKORY—The Will County Regional Council of Sportsman's Clubs, of which Frank Goetschel, New Lenox, is president, presented a proposal to Illinois State Conservation Director William Rutherford last Saturday to dam Hickory Creek at the line between the two marks at the west end of the drawing. This would

make a lake three miles long and about 1,000 feet across at its widest point. The Sportsman's group points out this would not only provide fishing and water sports for the area but would also serve as a flood control for Joliet and a source of potable water if wells become exhausted.

L-W Nine Beats Two League Foes

The Lincoln-Way baseball team, coached by Bob LeZotte, knocked off a couple of conference foes last week.

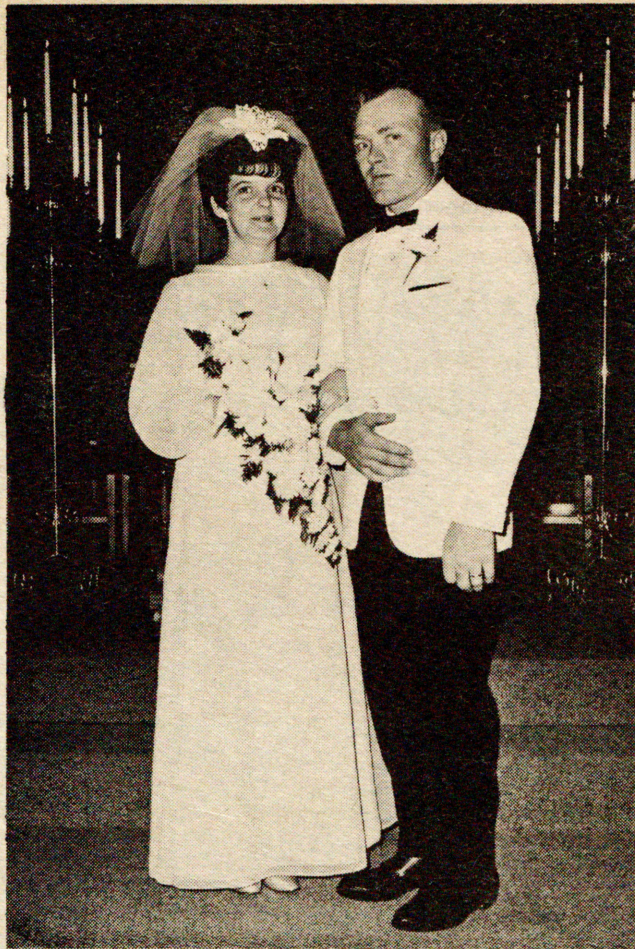

Last Thursday the Knights were hosts to Reavis and won that one 3 to 2 with Doug Gougar going the whole route of seven innings, allowing five hits, fanning four and walking one. Greg Palka drove in two of the Knight's runs, one of them the winning one.

On Friday night against Rich East Gougar got in his licks with the bat with able assistance by Larry Batson. The Knights didn't waste any time. They went to work in the first inning and scored six runs after Rich starting pitcher, Tom Sullivan, had retired the first two men to face him. Then came four singles and a homerun blast by Batson.

The final score was Lincoln-Way 15, Rich East 5.

Dave Crowder started for the Knights but relieved by Bob Taylor in the third after Rich scored five runs and Lincoln-Way had only a one-run lead.

In the fifth frame Gougar and Palka singled, as did Henry Hearn and Harold Webb. Then along came Batson with his second circuit clout of the day. Some more singles and an error and when it was all over it was all over for the visitors, 15 to 5. The Knights have a record of 6 and 2 for the season.

Two Artists From Orland Win Ribbons

Two area artists were awarded blue ribbons at the Cook County Town and Country Art show held in Oak Brook, April 29, as part of the Cooperative Extension Service of the University of Illinois.

A pastel by Phyllis Groenewold of Orland Park titled "La Porte Rd. Mokena" won a blue ribbon. Another of her pastels, "Late October" won honorable mention.

Miss Sue Seitz, also of Orland Park, won a blue ribbon on an oil titled "Aid."

Blue ribbon winners are eligible for competition at the district show to be held this summer at Northern Illinois University.

Nab 4 Youths After New Lenox Break-In

Four youths were arrested by New Lenox police last Wednesday morning in connection with a burglary at the Moss Equipment Co. in that village on U.S. 30.

The quartet had a load of television sets and chain saws piled up ready for transfer into their car when they realized they had been discovered and fled, according to the police report.

Officer Al Morgan arrived on the scene just as the car pulled away and headed east on Rt. 30 at high speed. Morgan followed the car about 10 miles, to the east end of Lincoln Estates. There the fugitives lost control of their car when they tried a high speed turn and leaping out ran into a field, with Morgan close behind. Three of them got thru a fence and escaped but one, Samuel Alberico, 18, who gave his address as 455 Gordon Av., Coal City, got

snagged on the wire long enough for Morgan to apprehend him.

Questioned by New Lenox Police Chief and Officer Morgan, Alberico identified his companions, police said. Their parents were notified and when the youths came home the parents brought them to police at New Lenox. A television set, reported to have been stolen, was found in the car.

Alberico has been charged with burglary, as has been Robert A. Walls, 17, of 914 E. Clinton St., Joliet, and Sergio Ocegueda, 17, of 402 W. Jefferson St., Joliet. The other youth, George F. Formetti, 16, of 403 Hickory St., Joliet, was not charged with any felony because his age makes him a juvenile.

Neighbors heard someone breaking in the store and Earl Moss was notified. He in turn called police and the arrests followed.

Foundation To Have Open House Sunday

The annual open house at the Community Center Foundation, Southwest Highway at 127th Street, Palos Park, will be held on Sunday, May 11, from 1:30 to 3:30 p.m.

This year's celebration marks the 40th anniversary

Charge 4 Minors With Drinking

Mokena Police Chief Wayne Ryder arrested four minors last week and took them to the county jail where they were charged with drinking alcoholic beverages and illegal transportation of same. There were open cans of beer in the car, the report states.

The quartet, one of them a girl, gave their names and ages as M. W. Mosiej, 19, 8923 Francisco Av.; Gregory Gantz, 18, 9326 Turner; Charles Czatliski, 9919 S. Center, and Mary E. Becker, 10130 S. Homan, all in Evergreen Park.

They were apprehended in a car at 192d and Wolf Rd.

of the concept of the Foundation by the Rev. Paul T. Sanders. Its director, the Rev. Frank W. Sanders, made this announcement recently, "Forty years ago, in 1929, the Community Center Foundation was started with nothing but an idea and the faith to see it through. At the 1969 Open House, we are honoring the many thousands of people in the Chicago area and those now spread throughout the world who, over the years, made the Foundation possible."

At the open house all buildings and grounds will be open to the public. Guides will be in each building to explain its historical significance and its present use. In the Main Lodge, an art exhibit will be held. Works by men, women and children who studied in the 1968-69 classes will be shown. Refreshments will be served.

Greeting the visitors will be the Rev. Frank W. Sanders, Executive Director, and his wife, and the Rev. Paul T. Sanders, Director Emeritus, and his wife.

The public is invited.

New Fire House For New Lenox

A new and second fire station for the New Lenox Fire Protection District is to be built this summer.

It is expected that work will begin next month and it should be finished sometime in the fall, it was believed.

The cost is estimated at around \$70,000 and the money will be available thru appropriations. No bond issue will be necessary. As a matter of fact when the district was organized no bond

issue was sought to purchase equipment. Money for the purpose was borrowed on the guarantee of the trustees, and paid off thru district taxes.

The new station will be built at the southwest corner of Cedar Rd. and Maple Lane. The plans are being prepared by the architectural firm of Gerding, Wardrum and Richards, of Joliet, and they will supervise the construction.

Thoms In More Trouble With Law

Franklin Thoms, 22, formerly of Orland Park and recently a resident at 11038 Revere Rd., Mokena, where he has been living with a Robert M. Heimerdinger, 20, is under arrest on a charge of contributing to the delinquency of an underage girl, according to Mokena Police Chief Wayne Ryder. Heimerdinger also was arrested.

The girl in the case, Chief Ryder said, is 14 years old and resides at Oak Lawn. She has been turned over to her parents.

The Will County state's attorney's office has the case, which is said to have involved rape, Ryder said.

Thoms, the chief said, is on probation now in a case of auto theft, according to Chief Ryder.

The plans call for three bays, which could house from three to six pieces of apparatus, depending upon the length. A committee representing the members of the department - it is made up of volunteers - have met with the trustees on several occasions to discuss the plans for the new station and are in agreement concerning them.

Equipment can be driven into the station from Maple Lane and exit on Cedar Rd., or the procedure can be reversed - whichever way is the most advantageous. The fire house will be of masonry construction.

It is of great importance that an engine house be operated north of the Rock Island tracks -- everyone from underwriters to residents agree on that.

Long freight trains on the Rock Island Lines frequently block the crossings at New Lenox for five or 10 minutes or even longer. If firemen should be delayed that

long in reaching the scene of a blaze about the only thing they could do when they did arrive would be to protect nearby buildings. The fire would be out of control where it had originated. The New Lenox department keeps a piece of apparatus north of the tracks now but it realizes this is inadequate protection.

A chimney for drying house is to be added to the Church Street Engine House in addition to the drying racks that will be at the new station.

John E. Francis is president of the district trustees. There are three of them. Besides Francis the others are Lloyd Linstrom, secretary, and Amos Bruns, treasurer.

Hold Elmer Triem Rites On Thursday

Elmer O. Triem, 74, of 167 Oak View Dr., New Lenox, died Tuesday, April 29, at Silver Cross Hospital from injuries suffered in an automobile accident on April 26.

Mr. Triem was born Feb. 3, 1895, in Monee. He had lived in the New Lenox area for 42 years.

He was a retired farmer and a member of Will County Farm Bureau.

He is preceded in death by his first wife, Alma in 1951, and also a sister Elda Triem.

Surviving is his wife

Elizabeth, three daughters, Mrs. Viola Kuhlmann of Crystal Lawns, Mrs. Irene Borys of Markham, and Mrs. Frances Panozzo of Riverdale, one son, Edward of New Lenox, one brother, Phillip M., New Lenox, ten grandchildren and one great-grandchild.

Funeral services were held Thursday, May 1 at St. Peter's United Church of Christ in Frankfort with the Rev. LaVern Smith officiating. Interment was at the St. Paul's Cemetery in Monee.

2 N.L. Park Board Candidates In Tie

Voters of New Lenox Township made it clear last Saturday that they wanted a

park district but were not quite decided as to who they wanted to run it.

Four of the nine candidates for the five places on the park board had sufficient votes to be elected. There was a tie for fifth place.

The proposal to establish a park district carried by a vote of 328 to 251. Boundaries of the district include all of New Lenox Township except for a slice that is in Joliet park district and another slice that is in the Mokena park district.

Elected as park commissioners were Harlan Jensen, 292; Gary Orler, 287; Donald Hunt, 248 and Ronald Bersano, 228. Tied with 227 votes each are Eileen Nolan and Carl Schonwise. Don Jurgens received 174 votes, and Louis Balbinot, 156.

Later this week when returns of the election are reported in circuit court it is expected the judge will order Nolan and Schonwise to draw lots, according to Attorney Larry Wennlund, who took care of the legal work necessary to bring the park district question to a vote.

Text Of Loyalty Day Address

(Complete text of address given by Rabbi M. M. Hershtman at the annual Loyalty Day program conducted at Lincoln-Way High School May 1.)

I feel privileged, indeed, to have been invited to speak with you on this - one of the most important days of our American calendar. In a few weeks we will observe Memorial Day and in a few weeks beyond that a day dedicated to the signing of the Declaration of Independence. These are beautiful and significant days in American history and we observe them because they commemorate and we remember great and moving events that helped to make us a nation.

But May 1 - a day dedicated to the law and loyalty, commemorates no specific event nor does it honor any

one of the many courageous and outstanding heroes and statesmen of our country's past. This is a day for us, the living, to be here dedicated, as the immortal Abraham Lincoln once said. It is for us and what we will do out of the inspiration of this day that makes it so important.

The Talmud, that great storehouse of Hebrew literature and lore, tells us that the rabbis of old were discussing the foundations of the world and one of the most erudite said: 'The world is founded upon three things: upon the law, upon knowledge and upon peace.'

The very foundations of civilized society is adherence to the law. From the giving of the law - the Ten Commandments on the mountain in the Desert of Sinai 3,500 years ago to this very day, wherever the law was trampled underfoot that people has become nothing more than the footprints on the sands of time, forgotten, unremembered, swallowed up by its own arrogance, drowned in the mire of its own anarchy.

A civilized society can flourish only where its citizens will accept and honor, respect and revere a law that is morally sound and irrevocably consistent and our great nation was founded upon just such a precept, that the law of our land, based upon the higher moral law became the beacon light for all our citizens to follow, favoring neither the well-born nor punishing the underprivileged. Over the magnificent and august building of the Supreme Court of the United States in Washington, D.C. appears the immortal words, 'Equal Justice Under Law.'

Our great nation had its

origins in the concept that the law was sufficiently humane, readily acceptable and willingly obeyed for all our citizens to accept. We adhere to the law and in so doing give up a little of our own sovereignty and in giving up a little of our sovereignty and freedom we make it possible for all of us to be free.

We drive a car and come to a red traffic light and even though there is no cross traffic in sight and not even a police officer nearby, we, nonetheless wait for the light to change to green. In so doing we show out willingness to accept the dictates of the law even to our own discomfort and impatience.

We meet today, my dear young friends, in a time where some segments of our society feel that they are above the law. The bible tells us there was a time when every man did that which was right in his own eyes and it was a time of chaos - Look through history if you will. and you will find that those who thought they were a law unto themselves perished. The might Roman Empire was heralded as a law unto itself only to crumble in the dust of time. Nietzsche, and his supreme ideal were the forerunners of the Nazi movement which was supposed to have lasted a thousand years only to be remembered as the blackest and most bestial period of mankind's history.

On the campuses of America today, from Berkeley to Columbia, to the University of Chicago, to Roosevelt College and Northwestern University and San Francisco State to Brandeis, to Stanford, and Colgate and countless others, some of our young people take the law into their own hands and become a law unto themselves and in so doing have been dastardly disloyal to their universities, to their country, have created anarchy for their fellow students and a stain on the escutcheon of their youth.

Doing one's thing has become a way of life in our times. Translated, doing one's thing, literally simply means to do what you feel like doing at the moment. Whatever your impulse may be, freedom should allow anyone to do as he wants to do regardless of how it may effect society or his fellowman, and perhaps, because politics is that area which requires the least amount of academic preparation in the doing one's thing bit has found its greatest expression in the politics known as the New Left. The doing one's thing for the New Left is action - sitting, standing up, walking and more violent exercises. Where some reasonable or apparent progress or advancement of society to have come out of all this activity, it would have been enough to justify it, but some of the exertions of these people whose profession is doing one's thing have had effects that are not at all in keeping with their goals - But that doesn't seem to matter because the act of protest is all that really counts. Only

this kind of thinking could have permitted the publication of "Revolution For The Hell of It" by Abbe Hoffman. Doing one's thing has become an emotional exercise and one which rarely provides as substance or ideal or goal.

I'm not against young people - the only real thing I have against youth is that I'm no longer a part of it. We have always had faith in our youth and we know that some of the qualities of youth are idealism, and ambition, unbounding energy and a challenge to their elders.

There is no one worthy of being considered a true American who doesn't want to make this country better. To be sure there's much that isn't right in our land. The late Martin Luther King used to tell the story of the country minister who said to his congregation: 'We aren't what we want to be, and we aren't what we're going to be -- but thank God, we aren't what we were!'

But change, my dear young friends, can only come within the framework of the law and our founding fathers built into the law provisions where challenges to the law could be exercised -- peacefully and without anarchy and overthrow of our society.

I protest with every fiber of my being against those students who have taken over university buildings, destroyed property, ransacked files and have demanded a voice in the curriculum, the hiring and firing of teachers and an equal voice in the administration of the school. I saw one such protester on television the other evening, the national secretary of S.D.S., and a more vulgar, uncouth, disrespectful, arrogant, foul mouthed young man I have never heard or saw in my life.

Our country will be destroyed utterly by such young people -- by those who proclaim the loudest that ours is a country of revolution.

Our country will be destroyed completely by those who proclaim the loudest that they, in fact, are the only true patriots.

Our country will be sapied of its power if the good and decent law abiding citizens become intimidated and cower before these self styled protagonists of change.

You, my dear young friends, many of whom will be going to the university in the next few years, can make this day meaningful. You can use the avenues open to you to demand of your peers that the colleges and universities of America are halls of study and chambers of learning and not the arena to challenge authority. When the majority of students, when the conscientious and dedicated students, will raise their voices in protest against the lawlessness and the violence and disrespect for authority that is so rampant on the university campuses and in every segment of our society, then will ours have become a society of law once again.

For, my dear freinds, law and loyalty are synonymous. in our great nation there cannot be one without the other. for ours can yet be, 'one nation indivisible, under God, with liberty and justice for all.'

Medal Of Honor Holder Receives \$100 A Month

The highest military award for bravery that can be given any individual in the United States is the Medal of Honor, first presented in 1863.

Since the award of the first coveted medal, a total of 3,228 has been presented through March 1969, with 77 resulting from heroic action in Viet-Nam.

One privilege that accom-

panies the Medal of Honor is a special payment of \$100 a month.

According to the Veterans Administration, \$340,800 a year is paid the 284 current recipients.

The VA pointed out that there are many benefits generally available to veterans, their families and dependents.

New Treatment Counters Diabetic Gangrene

Copyright 1969 World Book
Science Service

Out of Baylor University Medical Center in Dallas comes the most hopeful news diabetics have had in ages.

Next to the blindness that accompanies retinal hemorrhages, diabetics dread most the probability of limb amputation. Now a new method of saving affected extremities has been developed at the Dallas institution.

Atherosclerosis and poor circulation in the extremities has always been a char-

acteristic of uncontrolled diabetes. Blood that is heavy with sugars does not deliver sufficient oxygen to tissue and moves too sluggishly to carry off the waste of incomplete cell metabolism.

This debris piles up in the

capillaries and further interferes with the free flow of blood. Often, gangrene sets in and amputation is necessary to save life.

In order to avoid amputation, some doctors have used hyperbaric oxygen, oxygen

under several atmospheres of pressure. But, though successful at unblocking blocked limbs, this unfortunately has adverse side effects on the lungs and central nervous system.

Dr. J. W. Finney of Baylor-Dallas has developed a technique for passing a catheter into the femoral artery, through which he introduces a dilute solution of hydrogen peroxide.

The solution breaks down into oxygen and water, delivering sufficient free oxygen to the troubled area to restore the normal flow of blood and to reduce the thickening capillary membranes.

Of 40 diabetic patients thus treated, 80 per cent responded favorably within three to four weeks, and in a five-year follow-up he has found not one recurrence of the problem.

UNIQUE TRANSPLANT -- Of five pancreatic transplants performed by Dr. Richard C. Lillehei of the University of Minnesota, one woman patient has survived five and a half months without the need of insulin. He believes this is because he included the duodenum and a kidney in the transplant.

AUTOMATED ANALYZER--Dr. Charles Scott of the Oak Ridge National Laboratory has developed a

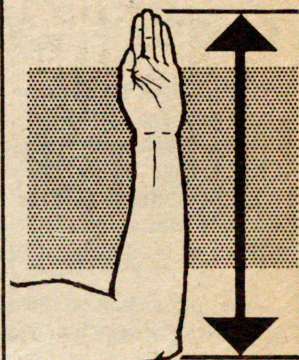

computer-type urine analyzer that will separate 120 readings on a single sample --everything from aspirin to xanthine.

MALARIA--Malaria, under almost total control due to U. S. and World Health Organization programs, is again Indonesia's No. 1 public health problem because President Sukarno in 1964 refused to permit any more American aid.

When George Washington was President there was no White House and the government rented for \$3,000 a year a residence for the President.

Madras, India, grows peanuts.

Laser to Replace Tailor's Scissors

Copyright 1969 World Book
Science Service

You may be able to get a custom-made suit because of the cooperation of the laser, the computer, and the tailor.

The laser is already widely used in manufacturing, medicine, and scientific research. Now tailors are looking into the possibilities of using lasers as scissors.

According to one British company, it takes a highly skilled tailor about half an hour to cut out a suit to a customer's measurements.

That might not seem like very long to you, but to the company, which makes about a million suits a year to custom order, shortening that cutting time means a lot. Improved efficiency could mean lower prices for all of us.

Laser light waves are very "orderly" or "coherent".

That means they move along like rolling ocean waves while ordinary light waves are more like the surface of a choppy, wind-whipped lake.

Laser light can be enormously intense and can be focused into incredibly fine beams.

What's also very important is that laser beams can be controlled by computer. A computer could be programmed so that when it was given a customer's measurements it would figure out exactly how to cut a perfect jacket, coat, slacks, or skirt.

It would then activate a laser, which would leave a clean, sealed edge as it cut through the cloth.

Can you guide the laser beam through the maze of suits waiting to be sewed? Move from upper left to lower right and don't "cut" any pieces!

Open Letter from the HIRSCHS'

Dear Friends,

Experience, they say, is the best teacher. Certainly this is true of the funeral director.

The proper direction of a funeral is something one cannot learn from books alone. There are countless details involved, each funeral differing from another. An understanding of all the problems can only come through actual experience.

We trust that our many years of experience in the funeral profession have served us well.

Respectfully,

Carl Hirsch

Make Mothers Presents

Mrs. Dolores Anderson
Telephone - 485-2365

Den 5 Cub Scouts with leaders, Mrs. Herman Beck and Mrs. Clifford White, are making Mothers Day gifts this week for their mothers. The den won the attendance award at the last two Pack meetings, and received a treat. The boys enjoyed a hike at their last meeting, and made plans to attend the White Sox ballgame at Comisky park in Chicago on May 24th, with the entire cub pack. The boys held a Father-Son Bakery Auction recently and cleared \$128.00 which will pay for the bus to take the pack to Chicago.

Episcopal church guild meeting will be held Thurs-

day May 8 at the home of Mrs. Elda Mae Gougar, at 8 p.m. Mrs. Ruby Gougar will be co-hostess. The annual election of officers will be held.

Den 8 cub scouts with den mother, Mrs. Guy Haseltine made key holders for their dads this last week. Thomas Lane is a new member of the den. The boys are planning an outing to the White Sox ball game in Chicago for May 24, and den 8 was selected to have the flag ceremony at the May 13th meeting of the PTO at the Oakview school.

Lutheran church in New Lenox is now holding choir practice every Thursday night.

The Martha Circle of the United Methodist church is planning their annual Spring Benefit luncheon at the church, to be held Thursday, May 22, at noon. Mrs. John Francis is chairman in charge of the annual affair.

The Lincoln Lassies Homemakers unit of New Lenox will sponsor a Bakery sale on Saturday May 10 at Braun Sales from 9 a.m. to 2 p.m. Mrs. Janet Gougar and Mrs. Alice Fraser are co-chairmen in charge of the sale.

The pre-school story hour will start again this week at the New Lenox Library, and will be held each Wednesday, from 1 to 2 p.m.

Arbury Hills

Pack Meeting Awards

Mrs. Edward Hovi
Telephone 479-5740

The Arbury Hills Cub Scouts held their April pack meeting at the school on Friday evening, April 25.

There were awards given out to those boys who earned them since the last Pack Meeting. Those boys were: Ronald Ashby, Wolf Badge and one Gold Arrow Point; George Steinhable, Denner Bars; Bobby Evans, Wolf Badge and Denner Bars; David Hovi, Wolf Badge; Richard Mansell, Wolf Badge and one Gold Arrow Point; Romeo Sansosti, Wolf Badge and one Gold Arrow Point; Carl Cummings, Bobcat Pin; Duane Heise, Bobcat Pin; and Mike Way, Bobcat Pin; and David Osuch, Craftsman Award for Webelos.

In addition one of the Webelos graduated to Boy Scouts. Leading the ceremony was Steve Thompson for the induction of Mike Tanis into Boy Scouts.

Eleven of the boys were graduated into the Webelos. They were: Greg Peterson, Vern Crowder, Robert Hamilton, James Daniels, Tony Perritano, Glenn Coday, Jeff Schoenfield, James Fronek, Robert Lee, Mike Pierce, and Curt Cook.

A well placed "thank you" was given to Mrs. Barbara Hamilton for the time and effort she has spent as a Den Mother this year. With her boys being graduated to the Webelos, she is retiring. The few remaining boys are being absorbed into another den.

The two Webelos Dens spent the weekend of April

26 at the Kankakee River State Park on a campout.

While the Webelos were camping out, the Boy Scouts took their annual fifteen mile hike on the trail near Lemont. Sixteen boys made the hike this year with all sixteen of them completing the journey. Good Show, Boys!

The weekly meeting of the Boy Scouts will be held on Monday evening now instead of Wednesday evening.

The May Cub Scout Pack Meeting will be held at the school on May 22, since the last Friday of the month is Memorial Day.

The Summit Hill Parent-Teacher Organization will hold its meeting at the school on Thursday evening, May 8, beginning at 8:00 p.m.

There will be the installation of officers for the coming school year. Following the business meeting there will be a music program presented by the school children.

The annual opening day parade for the Baseball League is rapidly approaching with the big day only two and one-half weeks away.

The parade will begin at 1:00 p.m. with the parade units lining up at the school at 12:30 p.m. If your organization wishes to participate in the parade, please contact Mr. and Mrs. Vern Crowder at 479-5779.

Linda Hovi, daughter of Mr. and Mrs. Edward Hovi on Hickory Street, celebrated her seventh birthday with a

children's party of some of her friends who spent the day at the Brookfield Zoo. Even the coming of a warm spring rain could not dampen their spirits.

Mrs. Kenneth Hulet, daughter of Mr. and Mrs. James Rose on Willow Lane, presented her husband with a matched pair of sons. She gave birth to identical twins Geoffrey Aaron who weighed five pounds eleven ounces and Sean Adam who weighed five pounds seven ounces.

The couple plus two have been staying with Grandma and Grandpa Rose to give Nancy a short rest before returning to their apartment in Mokena.

Mr. and Mrs. Paul Schubert on Magnolia Avenue were given a twenty-fifth anniversary party by their children at the Schubert home. About forty of their friends gathered to wish them well on Saturday, April 26. Here's wishing them at least two more batches of twenty-five years of happiness.

The St. Mary's of Mokena Sports Banquet will be coming up one week from Saturday, May 17. The time of the dinner has been changed so that it will now start at 6:30 p.m.

The eighth grades of both the Arbury Hills School and St. Mary's will have their Springfield Trip on the same day, this Friday, May 9.

They will leave for Springfield early in the morning, each from their own school, and return to their own school that evening. Enjoy yourselves all!

The Bethel Missionary Baptist Church, 19638 Beechnut Dr., Arbury Hills, Mokena, with the Rev. Robert M. Thornburg, pastor, 312-672-5136. Sunday School 9:45 a.m., Sunday Worship 11:00 a.m. and 7:00 p.m., Youth Group 6:30 p.m., Prayer Groups 6:30 p.m., Midweek-Bible Study 7:30 p.m.

L-W Ag. Students Observe Arbor Day

Students enrolled in ornamental horticulture at Lincoln-Way High School observed Arbor Day on April 25 by planting a Schwedler maple tree on the school's front lawn.

Norman Johnson of Johnson's Landscape Nursery, New Lenox, led the program by demonstrating the proper procedure for tree planting.

Two students, Sue Schutte and Ed Scalise, have worked

all year developing a detailed landscape design for the campus. The tree was planted according to specifications in the landscape plan.

Landscaping and arboriculture (study of trees and shrubs) are important parts of instruction in ornamental horticulture. Such instruction helps prepare students for rewarding careers in horticulture in this rapidly growing suburban area.

Robinson Resigns From Board

Norval Robinson, president of the Mokena board of education for the past eight years resigned just prior to the board reorganization meeting. His term of office had one year left. He stated in his letter that business commitments made the resignation necessary. He has served the school district faithfully, being elected to four consecutive terms, totaling twelve years had his final year been completed. The board regretfully accept-

GERALD EISENBRANDT, son of Mr. and Mrs. Arthur Eisenbrandt, Frankfort, has received his PhD degree in electrical engineering from the Illinois Institute, Chicago. A graduate of Lincoln-Way High School, he received his bachelor and master degrees in science IIT. In the course of his graduate work he was the recipient of a National Defense and Education Act fellowship and an IIT fellowship and for a semester served as part-time instructor (Behne photo)

ed his resignation.

At the reorganization meeting Willard Barenz was elected president, succeeding Robinson, and Fremont Warning was re-elected secretary.

Members seated were Fremont Warning, incumbent, and John Winter, newly elected on Saturday, April 12. They will serve three-year terms.

Barenz has served for three years on the board, first being appointed in January, 1966, to fill a vacancy, then winning an election for the unexpired term the following year, and then being re-elected for a full three year term in 1968. His wife Delores teaches at St. Mary's School. They have two children, Janice and Janine, both students at Willowcrest School.

The board announced that they would appoint someone to fill the unexpired vacancy at the next regular meeting, May 14.

In further business, the board set the second Wednesday of each month at 7:30 o'clock as its regular meeting date at Carpenter Street School. When an adjourned meeting is necessary for the month, it will be held on the fourth Thursday at 7:30 P. M. at Carpenter Street School. Regular meeting dates are: May 14, June 11, July 9, Aug. 13, Sept. 10, Oct. 8, Nov. 12, Dec. 10, Jan. 14, Feb. 11, and March 11. When necessary to be held, adjourned meeting dates are:

May 22, June 26, July 24, Aug. 28, Sept. 25, Oct. 23, Jan. 22, Feb. 26, and March 26.

The Mokena State Bank was designated as the depository for school funds and for budget purposes, the fiscal year was established as July 1, 1969 to June 30, 1970.

Mrs. Hans Mueller was appointed board clerk and Illinois Municipal Retirement Fund agent for the 1969-70 school year.

School will begin on Sept. 2 and close on June 10. Christmas vacation will be from Dec. 24 to Jan. 4 and Easter vacation from March 27 to April 5.

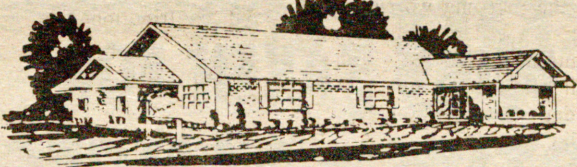

MOTHER'S DAY TREAT - Miss Vera Nochtka, Enoch Estep and members of the Lewis College Chorale will present a special music concert at 8 p.m. Sunday, May 11, at St. Charles Borromeo Seminary, Lockport. The public is invited. Miss Nochtka, a soprano, is from Europe.

Admission to the Mother's Day concert is \$1.50 to adults; student tickets are \$1.

The concert is the last campus appearance of the chorale before closing its season at Chicago's famous Orchestra Hall on May 18. The Chicago appearance, with members of the Chicago Symphony Orchestra, culminates almost a year of work perfecting the "Gloria" for the formal American debut of Miss Nochtka. Tickets for the Orchestra Hall program are still available from Lewis College, 838-0500.

Education, Training Interest Vets Most

The G.I. Bill education and training program is the veteran benefit that most interests returning Viet-Nam era veterans.

"What hath we wrought?"

This was confirmed by more than 2,000 such veterans who either mailed or personally brought to the Veterans Administration a reply card inviting them to check specific veteran benefits on which they wanted more detailed information.

The reply card was enclosed with a letter which the VA sent last December to recently discharged veterans reminding them of the various benefits to which they were entitled.

Education and training was checked on 67 per cent of the cards received from these 23,000 veterans.

The next most frequently checked benefit on which more information was desired was VA medical or dental treatment -- 58 per cent.

A close third at 52 per cent was the G.I. Bill home loan program.

Employment ranked next at 39 per cent, followed by the VA hospital program (35 per cent), on-the-job training (33 per cent), converted Servicemen's Group Life Insurance (23 per cent), and service-connected disability compensation payments (13 per cent).

These statistics represent

the per cent of times each benefit area was checked in relation to the number of cards returned.

Except for their greater interest in on-the-job training (44 compared with 31

per cent), disadvantaged veterans who had not completed high school before entering service expressed almost the same degree of interest in the various veteran benefits as veterans

with a high school education or more.

All of the nearly 75,000 veterans now being returned to civilian life each month receive this veteran benefit information letter from VA.

FRANKFORT GRADE SCHOOL held its annual athletic banquet in the Chelsea all-purpose gymnasium.

About 150 people were in attendance to see Mrs. Roberta Bochtler award the cheerleaders their letters, Ken Reiss award the lightweight basketball awards and Wayne Hendricks distribute the volleyball awards and heavyweight basketball awards. The entire track squad was recognized and will receive their awards at the Awards Day program later this month at Frankfort Grade School.

Rev. Charles Kepler gave the invocation and Rev. LaVern Smith the benediction at the annual affair.

Here are the basketball award winners (l. to r.) Garry Varner, rebound champ; Rich Landrey, field goal champ; Robert Evans, free throw champ, and Phil Hull, most improved player.

Arbor Day ceremonies were held at St. Mary School, Friday, April 25, when a silver Maple tree, donated by

Win Way Into State Science Fair

Two Frankfort grade school pupils, John Keener and Ronald Otto, will take their science project to the state science fair at Champaign May 16.

Their project, "Catching and Using Raindrops," won a first prize at the district science fair held at the Illinois Institute of Technology.

Other Frankfort students who won district prizes are Georgeann Michelson, Laura Olivieri, Duane Goetsch, Darrell Stephen, Donald Janssen, Jill Charnesky, Melissa Shortridge, Nadine Miller and Jill Flower.

Parent Classes Start

Silver Cross Hospital In-Service Education will present a series of five Prospective Parent Classes beginning Thursday, May 15. All classes meet at 7:30 p.m. in the in-service classroom on the third floor South of the building.

Both parents are urged to attend, if possible, and there is no charge for the classes.

Covered in the course will be anatomy and physiology, process of reproduction and labor and delivery presented by Mrs. SeDelle Peterson, R.N., at the opening session. On Tuesday, May 20, an anesthesiologist will speak on anesthesia. Mrs. Isabel Sandstrom, R.N., will conduct the Thursday, May 22, class on "care of the newborn". "The Infant to One Year of Age" class Tuesday, May 27, will be presented by Mrs. Shirley Lawler, R.N., head of pediatrics.

the Mokena Garden Club, which was planted to help beautify the school grounds. The fifth grade students participated in a essay writing contest on "What Arbor Day Means to Me".

The contest winner, Thomas Strilich, was presented with a book by Mrs. John Duffy, representing the Garden Club.

County Bankers Elect

Two area men have been elected officers of the Will County Bankers Federation.

Dwight W. Egle, executive vice president and cashier of the New Lenox State Bank was chosen as vice president of the county organization and James P. Walker, executive vice president and cashier of the Frankfort State Bank, was elected secretary.

President of the federation is Donald B. Baker, vice president of the 1st National Bank of Joliet. Elected treasurer was Mel F. Campbell, vice president of the Louis Joliet Bank. The two directors are Fred Tibbetts, executive vice president of the Peotone State Bank and Donald Forsythe, cashier of the First National of Wilmington.

Lutherans Raise Fund

Members of Christ Ev. Lutheran Church, Orland Park, believe that letting servicemen know the folks at home care should be more than just a matter of words.

That's why the congregation will participate in a nationwide offering on Mother's Day, Sunday, May 11, designed to raise \$400,000 for the work of the Armed Forces Commission of The Lutheran Church--Missouri Synod.

According to the Rev. Walter A. Ledogar, pastor of Christ Lutheran Church, the Synod's program for servicemen is one of the most extensive among American church bodies.

Besides supplying chaplains to the military services, the commission sends out literally tons of material each year to about 36,000 members of the Synod in mailings at least once a month.

Included are devotional materials, worship orders with hymns and meditations (in case and serviceman can't make it to a service), information on chaplains, times of services, and chitchat from home.

The Missouri Synod also has more than 120 active-duty chaplains and over 400 civilian contact pastors who serve parishes near military installations. Nationally, Lutherans provide one of every 10 chaplains, even tho only one of every 20 Americans is Lutheran.

Special attention will be focused on the work of the commission thru the offering and plasticized worship cards.

As they bring their special offering, members of the congregation will be reminded of the words of a fellow Lutheran returning from overseas who wrote, "I would like to thank you for the materials you send each month. Without God's love and guidance I don't think I could have made it thru the months in Vietnam."

Over 350 million pounds of insecticides are bought annually in the U.S.

New Lenox Revival In Progress At 1st Baptist Church

Dolores Anderson
Telephone 485-2365

First Baptist Church of New Lenox is having a revival meeting until May 11, in cooperation with the Southern Baptist Convention. This is also in cooperation with other Baptist bodies in the Crusade of the Americas. The church, which meets at 518 South Cedar (New Lenox Lions Club Den) invites everyone to attend.

Allen Harrison, pastor of the First Baptist church of Ozark, Mo. is the evangelist. Harrison made a tour of the Holy Land in 1966. He is a graduate of Southwestern Baptist Theological Seminary.

Perry Straw leads the music. He is an employee of WMBI and is regularly leading the music at the Chicago Gospel Tabernacle. Merrill Paynter, the young adult Sunday school teacher will preside at the piano.

Members of the Womans Guild of Grace Episcopal church will hold their annual election of officers tomorrow night (May 8) at 8 o'clock in the home of Mrs. Elda Mae Gougar. Co-hostess will be Mrs. Ruby Gougar.

The Couples club of the church which was to have met this Saturday night, have postponed the meeting until Sunday, May 18 when the members will attend a play at Drury Lane theater, Evergreen Park, featuring Barbara Rush in "Here Comes April". Mr. and Mrs. Don Munday are in charge of making the reservations.

The Council of Catholic Women is having its annual installation banquet, Tuesday, May 13, at Holiday Inn, Routes 52 and 55. Refreshments will be served from 6 to 7 p.m., with dinner at 7 p.m. Reservations may be made by calling Pat Witkowski at 485-8413, Marie Boyd, 485-6594; or Fran Torkelson at 485-6510, before May 10.

Scouts who worked on the project were: Richard Koller, Alan Koller, John Prior, Steve and Tom Friant, Terry Fellers, Richard Mead, Mark Gorman, Bob Steen, Alan Johnson, Dennis Thatcher, and Fred McLaren and Bill Krohn.

VILLAGE OF FRANKFORT enlarges office of the village clerk, Walter Pfaff. A partition was removed which caused the mayor to lose his office space but only temporarily, as he took over the police office which has now been moved to what was formerly a kitchen. Village Clerk Pfaff is here supervising the moving of some records.

CARPENTERS GIVEIN Frankfort village offices a face lifting. The work is expected to be finished this week. (Graphic Newspapers photos)
